39th Annual Planning & Design Awards

Wednesday, October 27, 2021

The Planning Commission is proud to announce our 39th annual celebration of excellence in planning and design in Hillsborough County presented by Tampa Electric. Winning projects contribute to a better quality of life and serve as models to learn from and emulate.

With the emphasis on the importance of great planning in our own region, our awards program is held in October to align with the many national festivities during the American Planning Association's National Community Planning Month and celebration of Great Places in America.
