INTRODUCTION

The purpose of this manual is to guide the public and other agencies on the process to follow for Comprehensive Plan Amendments for Unincorporated Hillsborough County. The process outlined in this manual has been developed solely for the expressed use of Unincorporated Hillsborough County. The Hillsborough County City-County Planning Commission (Planning Commission) is the designated Local Planning Agency (LPA) for Hillsborough County and the Cities of Tampa, Plant City, and Temple Terrace. Throughout this manual, the term days refers to calendar days, including weekends and holidays. Any applicable Florida Statutes or Laws of Florida regarding amendments to Comprehensive Plans may be found in Chapter 163, Florida Statutes.

AMENDMENT TYPES

Proposed revisions to the Urban Service Area boundary, Community Plan boundaries, or any overlay boundaries shall be constituted and viewed as a separate stand-alone text plan amendment (even in conjunction with a land-use change proposal), unless otherwise directed by the Hillsborough County Board of County Commissioners (BOCC) and/or the Executive Director of the Planning Commission.

Multiple parcels may be submitted as one map amendment if immediately adjacent or proximate to the main parcel. Planning Commission staff will ultimately determine the suitability of a multiple parcel request as one map plan amendment. The applicant may request multiple land use designations through the same application, on the same parcel, if there is no overlap.

A Plan Amendment may be publicly initiated by the BOCC or by the Planning Commission. For a publicly initiated amendment, copies of deeds or the written consent of the property owners are not required. Privately initiated text amendments to the Comprehensive Plan are permitted twice a year (January, cycle 1; July, cycle 2).

The review of privately initiated text amendments will follow the process used for privately initiated map amendments as outlined in this Plan Amendment Procedures Manual with the following additional steps. As part of the application for a privately initiated text amendment, the applicant will propose their plan to address items a-c of the Initial Submittal Review below, based on feedback from the pre-application conference.

Initial Submittal Review

Once a privately initiated text amendment to the Comprehensive Plan is applied for, it will be scheduled by Planning Commission staff for initial consideration at a meeting of the BOCC pursuant to the schedule provided by the County. The applicant shall pay for the required advertisement of that item in the newspaper which shall follow the same procedure and schedule for legal advertisement of the BOCC transmittal hearing on a plan amendment pursuant to the advertising requirements of this manual.

The Planning Commission will prepare a report to accompany the application that shall include, at a minimum, the following information:

- a. A determination of resources needed for adequate review
- b. A recommendation on timeframe to review the amendment
- c. A recommendation on additional public outreach to be conducted by the applicant beyond what is required by this manual.

At the scheduled meeting, the applicant will be afforded time to make a presentation and public testimony will be permitted. Following board discussion, the BOCC shall take one of the following actions after review of the report by the Planning Commission and testimony provided by the applicant:

- a. Motion to take no further action on the application. A refund of 80% of the amount of the application fee will be provided should this occur.
- b. Motion to allow the application to proceed for review and public hearing in accordance with the procedures outlined herein. Said motion shall address the Planning Commission’s recommendations on the review timeframes, public outreach and provision of additional resources (if applicable).

Small-Scale Plan Amendment

Small-scale Plan Amendments must meet the following criteria:

- The proposed amendment must apply to a property of fifty (50) acres or less.
- The proposed amendment cannot include a change to the goals, objectives, policies or text of the Comprehensive Plan; however, text changes that relate directly to, and are adopted simultaneously with, a small-scale future land use map amendment may be adopted pursuant to Section 163.3187, Florida Statutes.

Plan Amendment Expedited Review Criteria

Plan Amendments that meet the following criteria are processed under the *Expedited State Review* procedure of Chapter 163, Florida Statutes:

- The proposed amendment applies to a property of greater than fifty (50) acres.
- A Text Amendment not related to a Small-Scale Plan Amendment.

PLAN AMENDMENT PROCESS

Generally, the month in which the application is submitted will determine when the Comprehensive Plan Amendment will be processed.

Comprehensive Plan Amendment Application Quarterly Submittal Schedule

Application Submittal Deadline

fully completed application due on the first of the month, or the first business day thereafter

Unincorporated Hillsborough County	January 1
	April 1
	July 1
	October 1

Pre-Application Meeting

A “Pre- Application Meeting” must take place not later than seven (7) days prior to the filing deadline for the Plan Amendment application. Pre-Application Meetings may be conducted in person or via a telephone conference. No Comprehensive Plan Amendment request will be accepted by the Planning Commission when the applicant has not participated in a Pre-Application Meeting with Planning Commission staff.

A Pre-Application Meeting will not be required when either Hillsborough County or the Planning Commission is the applicant for the Comprehensive Plan Amendment.

Application Submission

After submission of the application, including the required documentation listed on the Plan Amendment application checklist, staff conducts a seven (7) day sufficiency review period, which begins on the date the application is submitted. At this time, the application will be reviewed by staff for completeness to ensure that all required documents are submitted, including the applicable fee and to answer any questions the applicant may have. In accordance with Chapter 163 FS, both public and private plan amendments must be supported by professionally accepted data and analysis. A full refund will be issued if the application is withdrawn within the seven (7) day sufficiency review period.

Supplemental Information

The Planning Commission may require the applicant to submit supplemental information on the Plan Amendment. Failure to provide the information required within the time limits specified will result in a continuance to the next cycle, or the next available public hearing.

If the applicant provides new information to the Planning Commission that requires additional analysis, without enough time to review and analyze the submitted information, it will result in a continuation. New information must be received no later than thirty (30) days before the Planning Commission public hearing. Under these circumstances, the Plan Amendment request shall be continued to the next cycle, or the next available public hearing, at the discretion of the Planning Commission staff.

Modification of the Application after Submittal

A modification of the original application that increases or decreases the land area covered by the Plan Amendment, requests a different future land use designation, and/or substantially changes the originally proposed text that affects the policy direction, as determined by staff, must be received by the Planning Commission not less than thirty (30) days in advance of the scheduled Planning Commission public hearing. If the information is not received within the time specified, the application will be continued to the next available cycle, or the next available public hearing at the discretion of the Planning Commission staff.

Planning Commission Staff Review

Based on information received from the applicant and the reviewing agencies, staff will review the Plan Amendment application for compliance and consistency with the goals, objectives and policies, and other provisions of the comprehensive plan in accordance with professional planning principles and standards. The Planning Commission staff will request information and review comments from appropriate County staff and other reviewing government agencies and departments. Planning Commission staff makes recommendations to the Planning Commission on a finding of consistency or inconsistency of the Plan Amendment with the comprehensive plan.

The Planning Commission staff recommendation will be available for public review ten (10) days prior to the Planning Commission public hearing.

Planning Commission Briefing

The Planning Commission is briefed on the proposed Plan Amendment request during an advertised regular meeting of the Planning Commission. At this meeting, staff and members of the Planning Commission may discuss the amendment request.

The briefing is an opportunity for the Planning Commission to learn and ask questions about the proposed amendments.

No public comment, staff recommendation, or applicant presentation is taken at the briefing, unless requested by the Planning Commission. If the Planning Commission requests additional information at the briefing, or changes to the amendment, it may necessitate a second briefing to the Planning Commission.

Planning Commission Public Hearing

All Plan Amendments, regardless of type, require a public hearing before the Planning Commission. The Planning Commission public hearing process is the same for all types of Plan Amendments. Subsequent to the Planning Commission Briefing, a public hearing will be scheduled with due public notice for the Planning Commission to consider the Plan Amendment and staff recommendation, receive public input, and take action.

At the public hearing, Planning Commission staff will make a recommendation on a finding of consistency or inconsistency of the Plan Amendment with the Comprehensive Plan. The Planning Commission may agree with the staff recommendation, amend the staff recommendation, or reverse the staff recommendation. The Planning Commission will make a recommendation based upon a finding that the Plan Amendment is either consistent or inconsistent with the Comprehensive Plan and adopt a resolution by a simple majority vote.

Once the Planning Commission has completed the public hearing for a Plan Amendment, the recommendations are transmitted to the BOCC.

CONTINUATION OF PLAN AMENDMENT REQUESTS

Upon written request by the applicant, either to Planning Commission staff, and/or the Executive Director, a Plan Amendment may be continued to the next amendment review cycle, subject to the following:

- 1 Continuation of a Planning Commission public hearing may be requested by the applicant a maximum of two (2) times, with the first continuation request viewed as a matter of right. Continuances may only be permitted to the next cycle or scheduled Planning Commission public hearing date, at the discretion of the Planning Commission or the Executive Director (or designee).
- 2 Requests for continuation received at least thirty (30) days or more prior to the Planning Commission public hearing date shall result in the Plan Amendment application being excluded from the advertisement of the Planning Commission public hearing.
- 3 Continuation of a Plan Amendment request will occur if an applicant fails to timely remit the payment of required advertising fees prior to the scheduled hearing and will be considered as one (1) of the two (2) allowable continuances per Item 1.
- 4 The Planning Commission or the Executive Director (or designee) may continue a Plan Amendment (with the concurrence of the applicant) for an overriding public interest, such as, but not limited to, conducting additional public outreach, further coordination with other agencies, and such a continuance shall not constitute one of the allowable continuances.

5 Per the application submission procedures within this manual, if the applicant provides new information to the Planning Commission that requires additional analysis less than 30 days before the Planning Commission public hearing, it will result in a continuation. This will be considered as one (1) of the two (2) allowable continuances per Item 1.

6 These provisions shall not limit the authority of the Planning Commission or BOCC to authorize continuances.

Fee for Amendments Continued by Applicant's Request

Continuation of a Plan Amendment requested by the applicant at any point in the plan amendment process that necessitates preparation of additional hearing materials is subject to a continuation fee as per the adopted Fee Schedule. The fee is due at least 45 days prior to approved continuation public hearing.

BOCC PUBLIC HEARING

A. Small-Scale Comprehensive Plan Amendment Adoption

After receipt of the Planning Commission recommendation, the BOCC shall hold at least one advertised public hearing to consider adoption, adoption with changes, or determine that it will not adopt a proposed small scale Comprehensive Plan Amendment.

A small-scale Comprehensive Plan Amendment shall be adopted by ordinance and will become effective pursuant to Chapter 163, Florida Statutes.

B. Regular Comprehensive Plan Amendment Transmittal and Adoption Process

1. Transmittal Public Hearing:

For amendments that are not subject to the small-scale amendment adoption process outlined above, the Planning Commission's recommendation shall be provided to the BOCC in advance of the first scheduled public hearing date.

If the BOCC approves the Plan Amendment for transmittal to the State Land Planning Agency and other review agencies after the initial public hearing, the BOCC shall adopt a resolution approving the transmittal, and the Plan Amendment shall be transmitted in accordance with Florida Statutes.

2. Adoption Public Hearing:

Within one hundred and eighty (180) days after receipt of state reviewing agencies' written comments regarding Plan Amendment(s), the BOCC shall adopt, adopt with changes or determine that it will not adopt the Plan Amendment.

During the course of the second public hearing, the BOCC shall review the written comments received from the state planning agency and any other person, agency or government.

All Plan Amendments shall be adopted by ordinance. Pursuant to Chapter 163, Florida Statutes, Plan Amendments adopted under the *Expedited State Review Process* that are not challenged become effective thirty-one (31) days after the State Land Planning Agency notifies the Planning Commission staff that the amendment package is complete. Challenges to adopted amendments are subject to an administrative proceeding pursuant to Florida Statutes. For additional information, contact the State Land Planning Agency.

LEGAL NOTICING REQUIREMENTS

If the applicant fails to pay the advertising fee by the next scheduled public hearing, the status of the Plan Amendment shall immediately become "withdrawn".

In the event a Plan Amendment is mis-noticed by the applicant, the Plan Amendment is automatically continued. Should there be a second mis-notice by the applicant, the status of the Plan Amendment shall immediately become "withdrawn".

WITHDRAWAL, DENIAL, AND RESUBMITTAL OF A PLAN AMENDMENT APPLICATION

An applicant may withdraw a request for a Plan Amendment at any time, by filing written notice or email to Planning Commission staff and/or the Executive Director (or designee) of the Planning Commission. If the withdrawal of a proposed amendment occurs less than thirty (30) days prior to the Planning Commission public hearing, payment will be required for the pro-rata share of the legal advertisement.

If the withdrawal of a proposed amendment occurs after the Planning Commission has submitted the Plan Amendment to the State Land Planning Agency for review, the applicant is required to send notice to the State Land Planning Agency and copy the Planning Commission. Application fees paid prior to withdrawal of a request are non-refundable.

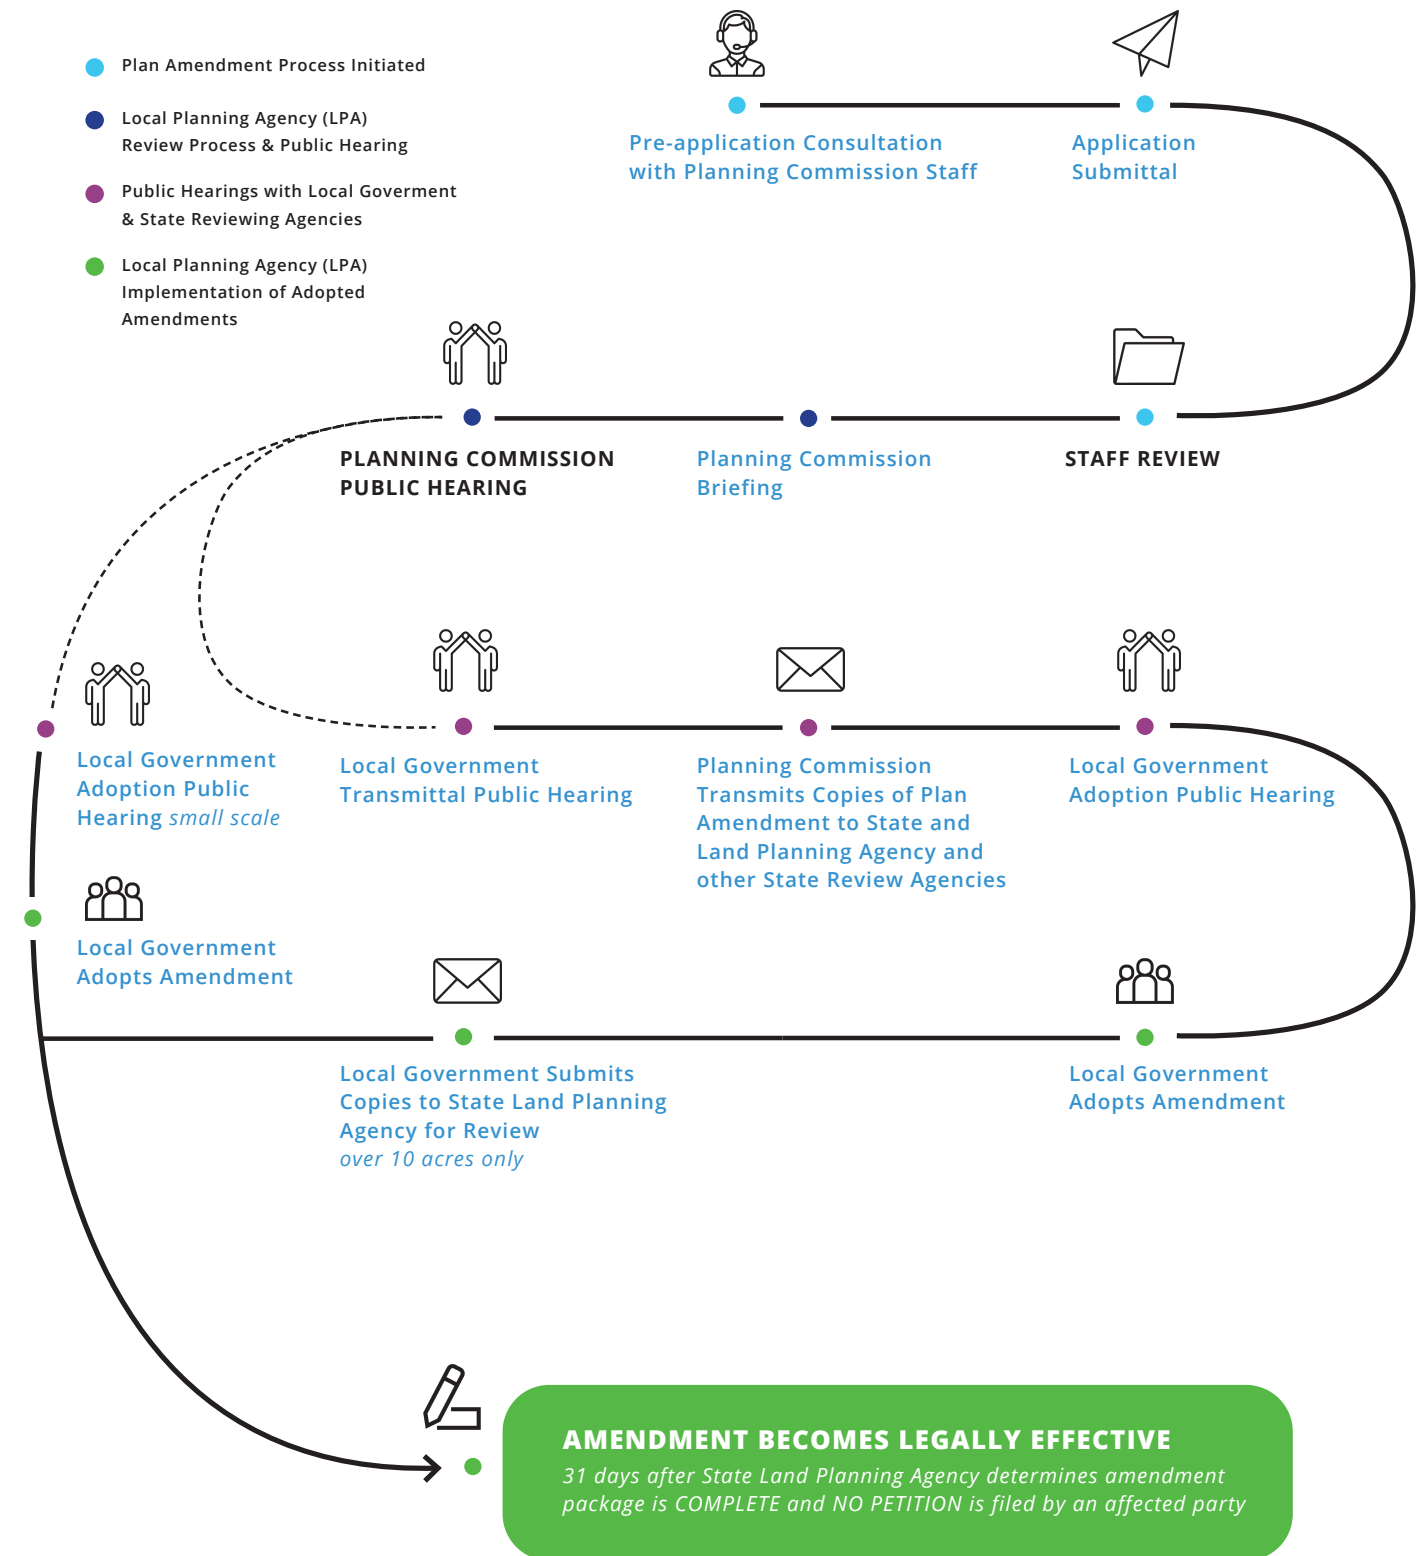

Plan Amendments denied by the BOCC will not be permitted to be resubmitted for twelve (12) months from the date of denial. The twelve (12) month waiting period does not apply to amendments that have been modified from the previous submittal by either adding or subtracting land, requesting a different future land use plan category, or by making substantive changes to the originally proposed text that affects the policy direction of the Comprehensive Plan (as determined by Planning Commission staff).

Application Fee Refund Schedule

The amount of the refund for Hillsborough County Plan Amendments shall be based on the point in the review process at which the application withdrawal is initiated by the applicant. If the "point of the review process" determination is unclear, the refund amount will be established at the discretion of the Planning Commission's Executive Director.
