440511-2 | N Tampa St & N Florida Avenue from Floribraska Avenue & from Palm Avenue to Dr. Martin Luther King Jr. Boulevard

The purpose of this project is to add design phase funding in FY24 to upgrade the existing drainage system to reduce the regular street flooding and to make complete street improvements to the roadway.

The complete street improvements include relocating the curb line to generally narrow the lane widths to 11' and widen the sidewalks to 7' on both sides of Florida Avenue.

Creation of a 12' shared use path on the west side of Tampa Street and widening the sidewalk to 8' on the east side of Tampa Street. Bulb-outs will be constructed in areas with on-street parking, at Columbus Drive and Dr. Martin Luther King Jr. Boulevard on Florida Avenue.

New pedestrian crossings will be installed at 26th Avenue on Florida Avenue, and at Woodlawn Avenue and Indiana Avenue on Tampa Street.

This project also supports planned projects by HART, including a proposed Bus Rapid Transit system and a light rail extension.
