About

The Water Works Sidewalk Gap project will enhance multi-modal connectivity by eliminating key sidewalk gaps within the Tampa Heights district along I-275 near Water Works Park.

This includes prioritizing a direct wide sidewalk connection from Tampa Street to Doyle Carlton Drive adjacent to the barrier-separated I-275 frontage road and potentially adding a sidewalk on the east side of Doyle Carlton from south of I-275 to the main entrance of the Water Works Park.

The construction is anticipated to begin in late 2024.

Design Cost includes the total of both design and construction estimates for this project
