FOR IMMEDIATE RELEASE

Hillsborough TPO Board to consider Transportation Improvement Program Amendment

Tampa, Florida (December 20, 2023) - The Hillsborough Transportation Planning Organization (TPO) Board will consider a Transportation Improvement Program (TIP) Amendment that will add construction funding and advance the construction phase to FY 2024 for I-75 from south of the Tampa Bypass Canal to south of Fowler Avenue.

I-75 from Tampa Bypass Canal to Fowler Avenue TIP Amendment

The TPO Board will consider amending the Transportation Improvement Program at their January 10, 2024 meeting to add construction funding and move the construction phase to FY 2024 for I-75 from south of Tampa Bypass Canal to south of Fowler Avenue.

This project will add an auxiliary lane in both the southbound and northbound direction of I-75 between the Tampa Bypass Canal and Fowler Avenue in Hillsborough County. The bridges over the Tampa Bypass Canal and Harney Road will also be widened, and the bridge structures over US 301 will be replaced.

Construction is expected to begin in 2024.

For more information, see the [project website](#) and [comparative report](#).
