42nd Annual Planning & Design Awards

Wednesday, October 30, 2024

The Planning Commission is proud to announce our 42nd annual celebration of excellence in planning and design in Hillsborough County. Winning projects contribute to a better quality of life and serve as models to learn from and emulate.

With the emphasis on the importance of great planning in our own region, our awards program is held in October to align with the many national festivities during the American Planning Association's National Community Planning Month and celebration of Great Places in America.

Be part of a winning tradition!
